### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Examiner agrees with applicant's remarks that the waterproof material 68 of Plyler does not "surround said connector around the electrical device and tightly engage in all gaps in the connector around the contacts in the connection area between the contacts and the electrical device." In particular, terminal cavities 26 are closed by the waterproof material, but not completely.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tho D. Ta whose telephone number is (571) 272-2014. The examiner can normally be reached on M-F (8:00-5:30).
